

## ENTERING VOCATIONAL REHABILITATION DATA IN EQRS

Vocational Rehabilitation data should be entered into EQRS every calendar year for all permanent ESRD patients aged 18 through 64, who received dialysis treatments at your facility.

**Follow the steps below to manually enter Vocational Rehabilitation data in EQRS. Please note, some dialysis organizations batch this information into EQRS automatically. If you have questions about this procedure, please call us at (651) 644-9877.**

**STEP 1: BRING UP THE PATIENT’S RECORD BY SEARCHING FOR THEM IN EQRS\*, UNDER PATIENTS. \*TIP: USE ONLY THE PATIENT’S NAME AND DATE OF BIRTH.**
