

Kidney Caregiver Peer Connection Call: You Are Invited!

**Are you a caregiver for a person with kidney disease?
Do you have questions you would like to ask someone who can
relate to similar caregiving experiences?**

The End Stage Renal Disease National Coordinating Center (ESRD NCC) Kidney Caregiver Peer Connection Call is an informal opportunity for caregivers of patients with kidney disease to ask questions, speak to, and learn from other caregivers about their experience. The call is for people who:

- Want to learn more about being a caregiver for someone with kidney disease.
- Have been thinking about how to take care of yourself as a caregiver.
- Are curious about the experiences of other caregivers.

This call is your chance to ask questions and learn from fellow caregivers!
