In partnership with the Centers for Medicare & Medicaid Services (CMS), the End Stage Renal Disease National Coordinating Center invites you to join us for:

Dialysis Care in Nursing Homes Learning and Action Network Call

By the end of this call, attendees will identify strategies to:

1. Implement tools for quality improvement in dialysis care in the nursing home setting.
2. Establish processes that reduce patients' risk of requiring blood transfusions.

Who should attend?

This presentation is appropriate for all facility staff, including directors of operations, facility administrators, clinic managers, clinical coordinators, nurses, social workers, dietitians, transplant professionals, and patients and families.

Meeting Date:

July 6, 2023

2:00-3:00 PM ET

This is a FREE WebEx event
